

**LAW OFFICE STUDY REPORT COVER SHEET**  
(For law study completed pursuant to Section 6060(e)(3)(ii and iii)  
of the Business and Professions Code)

**Please read this entire document before completing it. This cover sheet must be completed by the registrant and accompany each semi-annual report. A fee of \$30.00 is required with each report.**

Each law office study student must complete this cover sheet and file it with the semi-annual report. **It is the student's responsibility to ensure that reports are filed in a timely manner. If reports are not timely filed, the student will lose credit for law office study completed.** Additional copies of this form may be obtained from either the Los Angeles or San Francisco Office of Admissions.

The semi-annual reports must include written examination questions and answers. Reports should be submitted within 30 days after the end of the six-month study period; however, reports received after 90 days cannot be accepted and the study will not be recognized. All reports must be submitted by certified mail, return receipt requested, or delivered in person to either the Los Angeles or San Francisco Office of Admissions.

At the end of one year of law study, the student should take the First-Year Law Students' Examination administered by the Committee of Bar Examiners. See Rule VIII of the *Rules Regulating Admission To Practice Law In California (Rules)* for information relating to this requirement.

The statutory requirements relating to this type of law study and reports are contained in Section 6060, paragraphs (e)(ii and iii) of the Business and Professions Code. **Law office or judge's chambers study requires the study of law under the personal supervision of an attorney or judge. It is a program of study; therefore, merely working for an attorney or judge does not qualify.**
